

Appl. No. 10/677,573  
Reply to Office Action of Nov. 3, 2004

### **REMARKS**

Claims 11, 14, 15, 16, 18 and 19 have been amended. Claims 1-10 are canceled. Claims 11-20 remain. No new matter is being added. Reconsideration of this application is respectfully requested.

#### **Drawings**

The drawings stand objected to under 37 CFR 1.83(a). Applicant respectfully traverses this objection for the following reason. Claims 11, 14, 15, 16, 18 and 19 have been amended to cancel the feature "equal to" as noted herein above from the respective claims. Accordingly, withdrawal of the objection to the drawings is respectfully requested.

#### **Specification**

The specification stands objected to in view of an informality. Applicant respectfully traverses this rejection for the following reasons. Per this amendment, the information of the related application on page 1 of the specification has been updated. Accordingly, withdrawal of the objection to the specification is respectfully requested.

#### **Claim Objections**

Claims 11-20 stand objected to in view of informalities. Applicant respectfully traverses this rejection for the following reasons. Claims 11, 14, 15, 16, 18 and 19 have been amended to cancel the feature "equal to" as noted herein above from the respective claims, for being consistent with the drawings. Accordingly, withdrawal of the objection to claims 11-20 is respectfully requested.

#### **Allowable Subject Matter**

Allowability of claims 11-20 is noted with appreciation.

#### **Conclusion**

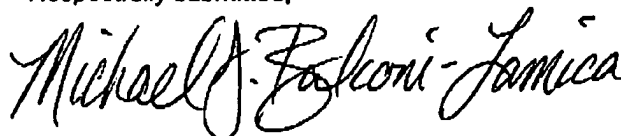

No amendment made was related to the statutory requirements of patentability unless expressly stated herein. No amendment made was for the purpose of narrowing the scope of any claim, unless Applicant has argued herein that such amendment was made to distinguish over a particular reference or combination of references.

The matters identified in the Office Action of November 3, 2004 are now believed resolved. Accordingly, the application is believed to be in proper condition for allowance and an early notice of allowance of claims 11-20 is respectfully requested. Nonetheless, should any issues remain that might be subject to resolution through a telephone interview, it is requested that the Examiner telephone the undersigned at the number indicated below.
